

For Lasell House Visitors only
Visitor Guidelines
Effective 6/10/2020

Lasell House is now allowing family or friend visits **by appointment only**, between 1:30 and 4:30 PM daily. These visits must take place outside; there will be no visits in Lasell House. Only long-term care patients, or short-term care patients with two negative Covid tests, can participate in this program. Residents must make an appointment for a half-hour time block with Lasell House Administrator Sue Driscoll (617-663-7059).

Please help us to keep your loved one safe and healthy by adhering to the following guidelines while you are on the Lasell Village campus.

1. Each Lasell House resident is limited to two (2) visitors at a time. Park in Lot C (the long lot on Seminary Avenue opposite Town Hall).
2. You will need to sign in and complete the Welcome Desk screening at each visit. The staff checking you in will take your temperature prior to contact with your loved one. If your temp is 100 degrees or higher, you will be asked to leave and reschedule your visit.

The screening questions are: have you had any close contact with a person diagnosed with Coronavirus? Have you had a recent loss of taste or smell? Do you have a fever greater than 100? Have you had a cough or sneeze or sore throat that is not allergy related, or experienced shortness of breath or headache in the past 14 days?
3. Thoroughly clean your hands with hand sanitizer when you enter the Welcome Desk area, prior to meeting with your loved one, and when you leave the Campus.
4. Wear a mask at all times while on campus making sure that it covers your mouth and nose. Everyone, residents and visitors, needs to wear a mask.
5. No eating or drinking during the visit.
6. Ensure that you keep 6 feet apart from residents, and ensure no physical contact at any time. Specific table and chair combinations have been marked with tape to aid you in keeping a safe distance.
7. If you need to use a bathroom while you are here, only the bathroom closest to the Welcome Desk at 130D Seminary Avenue may be used.
8. Regulations require a member of the Lasell House staff to be present during your visit.

Thank you for your ongoing support and attention to these guidelines as we all work together to keep your loved ones safe and healthy during this time. We are happy that you are here!
