

LASELL HOUSE
INDOOR VISITATION POLICY
Per Department of Public Health Regulations
(tentative start date 11/20/20)

Per Department of Public Health, Lasell House visitor policies will be adjusted based on the county positivity rate. Indoor visits may be allowed if there have been no new Covid-19 cases in the last 14 days at Lasell Village or Lasell House. Visits will be postponed or canceled at any time if the visit poses a clinical risk for the resident and/or visitor.

Visit Guidelines

- Visits will be scheduled for 45 minutes.
- Visits will be supervised by Lasell House personnel.
- No more than two visitors at any one time.
- No food or drink will be allowed.
- Visits will be scheduled by the social worker (617-663-7087).

Visit Protocol

- Visitors will be screened at the lobby entrance; Welcome Desk staff will call Lasell House to accompany the resident to the visiting space.
- Indoor visits will take place only in the first-floor small dining room; this room is to be used for Lasell House visits only.
- Visiting spaces are equipped with Plexiglas screens, but both residents and visitors must still wear an approved mask. The furniture is arranged to preserve proper physical distancing. Hand sanitizing will be available for visitors.
- The Plexiglas, table, and chairs will be sanitized after each visit by the staff member supervising the visit.

At Lasell Village, we take pride in keeping our residents and visitors safe. We appreciate your adherence to this policy.
